

Hello beautiful bride to be

Welcome! Take a moment to browse my bridal brochure — all my pricing and information is included to make booking your wedding hair stress-free and straightforward.

Choosing your bridal hairstylist is a big decision, and I'm here to make it easy. I don't just create a stunning, long-lasting hairstyle — I'm by your side throughout your wedding morning, a calm and friendly presence to guide you, keep things running smoothly, and make sure you feel relaxed and confident from the moment you wake up to the moment you walk down the aisle.

With over 20 years of experience, you'll be in skilled, trustworthy hands. I know exactly how to make your hair look perfect, coordinate your morning seamlessly, and ensure you feel completely cared for on your special day. I can't wait to meet you and help bring your bridal hair dreams to life!

The bride is in the center, looking up and smiling, while the bridesmaids are on either side of her, also smiling. The scene is set indoors with a fireplace and decorative items in the background.

Destinction Bridal Package

Your dream wedding doesn't have to stop at home — I also offer destination bridal hair styling on request. Whether you're saying "I do" on a sun-soaked beach, in a romantic European city, or somewhere further afield, I'll travel with you to ensure your hair is styled beautifully and stress-free. From morning preparations to post-ceremony touch-ups, I'll be by your side to make sure your look lasts from aisle to afterparty.
